

## Easter Alleluia!

*Our experience has taught us to be very tentative about hope. Sometimes we just have to throw caution to the wind and celebrate!*

Christ is risen!  
Alleluia!  
Christ is risen  
Today  
Christ is risen  
In this place  
Christ is risen  
In these people  
Alleluia!

In the gloom  
of winter  
In the dark  
of night  
God sends  
a fragile spark  
flickering hope  
into the world  
Alleluia!

Alleluia!  
Let cries ring out  
Alleluia!  
Sing praise to God!  
Alleluia!  
Let children rejoice  
Alleluia!  
Let old people dance  
Christ is risen!
